### F. Otto Haas Award

In 1997, Preservation Pennsylvania renamed their annual Preservationist of the Year Award to honor F. Otto Haas (1915-1994), a noted preservationist and philanthropist. The award is a standing recognition of his service and contributions to historic preservation across the state. Mr. Haas was a founding board member Preservation Pennsylvania, served two terms as Chairman of the Board, and was a valuable advisor to the organization until his death in 1994. His dedication to Preservation Pennsylvania and historic preservation in Pennsylvania still inspires us today.

This award honors outstanding individual or group achievements in the field of historic preservation over an extended period.
